

DEPARTMENT OF ENVIRONMENTAL PROTECTION
MONTGOMERY COUNTY, MARYLAND

NOISE WAIVER CERTIFICATE

ISSUED TO: CBG Building Company/Matt Lockman
Owner/Operator

Valid From: July 8, 2024

Valid To: August 6, 2024

Type of Waiver: Temporary

Authorizing:

Nighttime road construction consisting of road surface milling, patching, and resurfacing. The nighttime work will occur on Wisconsin Ave from Walsh St to Leland St/Woodmont Ave, Bethesda. The work is being performed at night to alleviate traffic congestion and impacts to pedestrians as required by the State Highway Administration. The work hours will be from 9:00 p.m. to 5:00 a.m. Monday to Friday and shall be performed under the following conditions:

1. All reasonable efforts should be made to perform the noisiest activities early in the evening.
2. Machinery shall be equipped with well-maintained and effective mufflers, and moving parts shall be well lubricated to avoid unnecessary noise from squeaking parts.
3. Machinery access doors and hatches should remain closed when the units are in operation and all machinery should be operated at the minimum level necessary to get the job done.
4. Minimize banging, clattering, buzzing and other annoying types of noises.
5. Hauling trucks and machinery shall be operated at the minimum power level necessary to complete the task in a safe manner.
6. Slamming of tailgates is prohibited.
7. All onsite staff, including delivery, dump truck and roll-off truck drivers, should be notified of noise mitigation procedures prior to work.
8. All equipment including excavators and dump trucks must use OSHA approved white noise back-up alarms or use other approved non-tonal signaling methods.
9. Where possible, the local power grid should be used to reduce the use of internal combustion powered machinery.
10. Prolonged idling of machinery and vehicles must be avoided. If machinery or vehicles are not utilized for long periods, they should be shut off to reduce idling noise.
11. Regular communications should be provided to nearby residences, so they are aware of the work schedule and expected noise related to construction activities.

DEP may suspend or revoke this approval for any violation of the terms and conditions and may make modifications to the terms and conditions based on the results of noise monitoring or the noise impact of certain activities.
