

DEPARTMENT OF ENVIRONMENTAL PROTECTION  
MONTGOMERY COUNTY, MARYLAND

NOISE WAIVER CERTIFICATE

ISSUED TO: Urban N. Zink Contractor, Inc./CJ Holtzapple, Project Manager  
*Owner/Operator*

Valid From: July 8, 2024

Valid To: August 6, 2024

Type of Waiver: Temporary

Authorizing:

Nighttime watermain tie-in work on Brookville Rd, Silver Spring, associated with the construction of the new Woodlin Elementary School. Nighttime work is being required by WSSC and is designed to minimize traffic congestion, pedestrian safety concerns, and impacts to local businesses and residential properties caused by road closures and water shut off. The work includes cutting of asphalt, excavation, pipe placement, backfilling and compaction, asphalt patching, milling, and repaving and shall be performed under the following conditions:

1. Work hours are from 7:00 p.m. to 5:00 a.m. Monday to Sunday.
2. All machinery and trucks utilized at this job site for night work shall be outfitted with OSHA approved white noise back-up alarms or use other approved non-tonal signaling methods.
3. All reasonable efforts should be made to perform the noisiest activities before 12:00 a.m.
4. Machinery shall be inspected daily and equipped with proper noise attenuation measures to minimize construction noise, including, but not limited to well-maintained and effective mufflers. Moving parts shall be well lubricated to avoid unnecessary noise from squeaking parts. Machinery access doors and hatches should remain closed when the units are in operation and all machinery should be operated at the minimum level necessary to get the job done.
5. Minimize banging, clattering, buzzing and other annoying types of noises.
6. Equipment shall be operated at the minimum power level necessary to complete the task in a safe manner.
7. All pipe cutting should occur away from residential properties.
8. Select equipment for low noise emission design.
9. Noise mitigation barriers shall be erected around loud pieces of stationary machinery (e.g., generators, pumps, portable lights, etc.).
10. All onsite staff, including delivery truck drivers, shall be notified of noise mitigation procedures prior to work.
11. Slamming of tailgates and dropping of materials into empty trucks are prohibited.
12. Where possible, the local power grid should be used to reduce the use of internal combustion powered machinery.
13. Prolonged idling of machinery and vehicles must be avoided. If machinery or vehicles are not utilized for long periods, they should be shut off to reduce idling noise.
14. On site communication shall be done without shouting.
15. Regular communications should be provided to nearby residential properties, so they are aware of the work schedule and expected noise related to construction activities.
16. Noise levels should be monitored at sensitive receptor locations and kept in a log on site, which shall be available for inspection and review upon request.
17. A log should be maintained on site containing detailed information concerning any complaints received regarding noise from this construction project.

DEP may suspend or revoke this approval for any violation of the terms and conditions and may make modifications to the terms and conditions based on the results of noise monitoring or the noise impact of certain activities.

Case 20241788

**This certificate must be available at the work site.**

**Location of Work:** Brookville Rd near Montgomery St

**Town:** Silver Spring **Zip:** 20910
