

Resolution No.:	19-1396
Introduced:	September 13, 2022
Adopted:	October 4, 2022

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: Council President Albornoz

SUBJECT: Special Appropriation to the FY23 Capital Budget, and
Amendment to the FY23-28 Capital Improvements Program,
Montgomery County Department of Transportation,
Bowie Mill Road Bikeway, \$2,245,000
Sources of Funds: State Aid and General Obligation Bonds

Background

1. Section 308 of the County Charter provides that a special appropriation is an appropriation which states that it is necessary to meet an unforeseen disaster or other emergency, or to act without delay in the public interest. Each special appropriation shall be approved by not less than six Councilmembers. The Council may approve a special appropriation at any time after public notice by news release. Each special appropriation shall specify the source of funds to finance it.
2. Section 302 of the County Charter provides that the Council may amend an approved capital improvements program at any time by an affirmative vote of no fewer than six members of the Council.
3. On September 13, 2022, the County Council President requested a special appropriation and amendment to the FY23-28 Capital Improvements Program to initiate the design of the Bowie Mill Road Bikeway project in FY23 rather than FY24, as follows:

<u>Project Name</u>	<u>Project Number</u>	<u>Amount</u>	<u>Source of Funds</u>
Bowie Mill Road Bikeway	P502108	\$2,245,000	State Aid & G.O. Bonds

4. This increase is needed to provide the possibility of ultimately accelerating the completion of this project in FY28, if the design work proceeds expeditiously and if fiscal resources become available at a later date to move forward more quickly with land acquisition, utility relocation, site improvements, and construction.

5. Notice of public hearing was given, and a public hearing was held.
6. The County Council declares this request is in the public interest to be acted upon without delay as provided for under special appropriation requirements described in Article 3, Section 308 of the Montgomery County Charter.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

A special appropriation for the FY23 Capital Budget and amendment to the FY23-28 Capital Improvements Program of the Montgomery County Department of Transportation is approved as follows:

PROJECT DESCRIPTION

This project provides for the design and construction of a new eight-to-ten-foot wide sidepath for 3.3 miles along Bowie Mill Road from Olney-Laytonsville Road (MD 108) to Muncaster Mill Road (MD 115) and continues along Muncaster Mill Road to Needwood Road. The project also provides a new pedestrian bridge over Rock Creek's North Branch for continuation of the sidepath along Bowie Mill Road.

LOCATION

Olney and Upper Rock Creek Planning Areas.

ESTIMATED SCHEDULE

Design to start in FY23 and be completed in FY25. Land acquisition to start in FY25 and be completed in FY27. Utility relocation and site improvements to start in FY26 and be completed in FY29. Construction to start in FY28 and be completed in FY29. The schedules for land acquisition, utility relocation, site improvements and construction will be reconsidered in the spring of FY23 based on how design proceeds and whether there is the fiscal capacity at that time to accelerate them, given competing capital budget priorities.

PROJECT JUSTIFICATION

The Montgomery County Bicycle Master Plan, approved in November 2018, recommends a sidepath along Bowie Mill Road. The project is a critical connection in the existing bikeway network between existing trails and important destinations, including the Needwood Road Bikepath, the North Branch Trail, the Intercounty Connector (ICC) Trail, Shady Grove Metro Station, Sequoyah ES, Colonel Zadok Magruder HS, and Olney Town Center.

OTHER

This project also supports the County's Vision Zero initiative which aims to reduce injuries and fatalities on all roads.

FISCAL NOTE

\$1,500,000 of G.O. Bonds was substituted with State Aid.

DISCLOSURES

A pedestrian impact analysis has been completed for the project. The project conforms to the requirement of relevant local plans, as required by the Maryland Economic Growth, Resource and Planning Act.

COORDINATION

Maryland State Highway Administration, Maryland-National Capital Park and Planning Commission, Department of Permitting Services, Greater Olney Citizens Association (GOCA), and utility companies.
