

Resolution No.: 20-756
Introduced: January 21, 2025
Adopted: March 25, 2025

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: Council President at the Request of the County Executive

SUBJECT: Amendment to the FY25-30 Capital Improvements Program and Supplemental Appropriation #25-46 to the FY25 Capital Budget Montgomery County Government
Department of Police Olney Satellite Police Station (No. P472401), \$1,075,000

Background

1. Section 307 of the Montgomery County Charter provides that any supplemental appropriation shall be recommended by the County Executive who shall specify the source of funds to finance it. The Council shall hold a public hearing on each proposed supplemental appropriation after at least one week's notice. A supplemental appropriation that would comply with, avail the County of, or put into effect a grant or a Federal, State or County law or regulation, or one that is approved after January 1 of any fiscal year, requires an affirmative vote of six Councilmembers. A supplemental appropriation for any other purpose that is approved before January 1 of any fiscal year requires an affirmative vote of seven Councilmembers. The Council may, in a single action, approve more than one supplemental appropriation. The Executive may disapprove or reduce a supplemental appropriation, and the Council may reapprove the appropriation, as if it were an item in the annual budget.
2. Section 302 of the Montgomery County Charter provides that the Council may amend an approved capital improvements program at any time by an affirmative vote of no fewer than six members of the Council.
3. The County Executive recommends the following capital project appropriation increases:

<u>Project Name</u>	<u>Project Number</u>	<u>Cost Element</u>	<u>Amount</u>	<u>Source of Funds</u>
Olney Satellite Police Station	P472401	Planning, Design, and Supervision	\$538,000	State Aid
		Other	<u>\$537,000</u>	State Aid
TOTAL			\$1,075,000	State Aid

4. This increase is needed to appropriate funds previously awarded by the State for the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvements, and capital equipping of the Olney Satellite Police Station. The recommended amendment is consistent with the criteria for amending the CIP because the project's cost has increased relatively by at least 10 percent and absolutely by at least \$1,000,000 from the last adopted CIP.
5. The County Executive recommends an amendment to the FY25-30 Capital Improvements Program and a supplemental appropriation in the amount of \$1,075,000 for Olney Satellite Police Station (No. P472401), and specifies that the source of funds will be State Aid.
6. Notice of public hearing was given and a public hearing was held.
