

Resolution No:	<u>20-765</u>
Introduced:	<u>April 1, 2025</u>
Adopted:	<u>April 1, 2025</u>

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: Council President at the Request of the County Executive

SUBJECT: Amendment #25-53 to the FY25-30 Capital Improvements Program
Montgomery County Government
Department of General Services
Olney Community Building (No. P362506)

Background

1. Section 302 of the Montgomery County Charter provides that the Council may amend an approved capital improvements program at any time by an affirmative vote of no fewer than six members of the Council.
2. The County Executive recommends this amendment to the FY25-30 Capital Improvements Program as shown on the attached project description form.
3. This amendment is needed because State aid is anticipated in FY26 for the acquisition of a community meeting building space in Olney. Acquisition of the property is expected to move forward in April 2025, after the state aid is awarded, but before it is available to the County. The creation of the project will facilitate the County's purchase of the property through the ALARF: MCG project (P316222). A supplemental appropriation will be added to this project when State aid is awarded. The recommended amendment is consistent with the criteria for amending the CIP because this project is a non-County-funded capital project with a projected cost of at least \$100,000.
4. The County Executive recommends the creation of the Olney Community Building (No. P362506) capital project.

Action

The County Council for Montgomery County, Maryland, approves the following action:

The FY25-30 Capital Improvements Program of the Montgomery County Government is amended as described above and as reflected on the attached project description form.

This is a correct copy of Council action.

Sara R. Tenenbaum
Clerk of the Council
