Introduced: March 25, 2025
Adopted: April 22, 2025

COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND

Lead Sponsor: Council President at the Request of the County Executive

---

SUBJECT: Supplemental Appropriation #25-64 to the Fiscal Year 2025 Operating Budget
Montgomery County Public Schools (MCPS)
Supplemental Appropriation for the Title IV, Part A: Student Support and Academic Enrichment Grant, $1,279,798

Background

1. Section 307 of the Montgomery County Charter provides that any supplemental appropriation shall be recommended by the County Executive who shall specify the source of funds to finance it. The Council shall hold a public hearing on each proposed supplemental appropriation after at least one week's notice. A supplemental appropriation that would comply with, avail the County of, or put into effect a grant or a Federal, State or County law or regulation, or one that is approved after January 1 of any fiscal year, requires an affirmative vote of six Councilmembers. A supplemental appropriation for any other purpose that is approved before January 1 of any fiscal year requires an affirmative vote of seven Councilmembers. The Council may, in a single action, approve more than one supplemental appropriation. The Executive may disapprove or reduce a supplemental appropriation, and the Council may reapprove the appropriation, as if it were an item in the annual budget.

2. The County Executive has requested the following FY25 Operating Budget appropriation increases for Montgomery County Public Schools:

Personnel Services	Operating Expenses	Total	Source of Funds
$0	$1,279,798	$1,279,798	State Grant

3. This increase is needed because State funds have been awarded to Montgomery County Public Schools for the improvement of student academic achievement via improving access to a well-rounded education, improving school conditions for student learning, and improving technology use for greater academic achievement and digital literacy. The funds will be used to support the Blended Learning Program which provides long-term medically

impacted students who are unable to access a physical school setting with access to comprehensive educational services in a blended learning environment.

4. The County Executive recommends a supplemental appropriation to the FY25 Operating Budget in the amount of $1,279,798 to support the Blended Learning Program to improve student academic achievement and specifies the source of funds will be State Grant.

5. Notice of public hearing was given and a public hearing was held.
