

Resolution No.:	<u>20-864</u>
Introduced:	<u>June 10, 2025</u>
Adopted:	<u>June 24, 2025</u>

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: Council President at the Request of the County Executive

SUBJECT: Supplemental Appropriation #25-87 to the Fiscal Year 2025 Operating Budget
Montgomery County Public Schools
Supplemental Appropriation for the Urban Agriculture Water and Power
Infrastructure Grant, \$122,000

Background

1. Section 307 of the Montgomery County Charter provides that any supplemental appropriation shall be recommended by the County Executive who shall specify the source of funds to finance it. The Council shall hold a public hearing on each proposed supplemental appropriation after at least one week's notice. A supplemental appropriation that would comply with, avail the County of, or put into effect a grant or a Federal, State or County law or regulation, or one that is approved after January 1 of any fiscal year, requires an affirmative vote of six Councilmembers. A supplemental appropriation for any other purpose that is approved before January 1 of any fiscal year requires an affirmative vote of seven Councilmembers. The Council may, in a single action, approve more than one supplemental appropriation. The Executive may disapprove or reduce a supplemental appropriation, and the Council may reapprove the appropriation, as if it were an item in the annual budget.
2. The County Executive has requested the following FY25 Operating Budget appropriation increase for Montgomery County Public Schools:

<u>Personnel Services</u>	<u>Operating Expenses</u>	<u>Total</u>	<u>Source of Funds</u>
\$0	\$122,000	\$122,000	State Grant

3. This increase is needed because state funds are available to Montgomery County Public Schools to enhance local food production, build climate resiliency, and support hands-on environmental education opportunities for students in urban farming. The funds will provide for the installation of frost-proof water infrastructure.

4. The County Executive recommends a supplemental appropriation to the FY25 Operating Budget in the amount of \$122,000 to support educational climate resilience initiatives and specifies the source of funds will be State Grant.
5. Notice of public hearing was given and a public hearing was held.
