

Resolution No.: 20-905
Introduced: September 9, 2025
Adopted: September 9, 2025

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: Council President at the Request of the County Executive

SUBJECT: Amendment to the Fiscal Year 2026 Operating Budget
Montgomery County Government Resolution 20-820, Section G,
Fiscal Year 2026 Designation of Entities for Non-Competitive Contract Award:
Wireless Infrastructure Association

Background

1. Section 11B-14 (a) (4) of the Montgomery County Code states that “a contract may be awarded without competition if the Chief Administrative Officer makes a written determination that the contract award serves a public purpose and the proposed contractor has been identified in a grant or appropriation resolution approved by the Council.” The result of this action is to amend the Fiscal Year (FY) 2026 Designation of Entities for Non-Competitive Contract Award resolution as listed below.
2. The Chief Administrative Officer has determined that funding for the contract with this entity serves a public purpose and that such an expense would be in the public interest.
3. The Department of Technology and Enterprise Business Solutions (TEBS) will increase the award of an existing contract with Wireless Infrastructure Association (WIA) by \$15,500 for a revised award amount of \$271,000 for the purpose: “Provide Telecommunications Industry Registered Apprenticeship Program and similar curriculum, certifications, and related instructional support, and outreach with WIA members to support job placement of participants.”
4. Funding for this action is available through the TEBS FY25 Operating Budget, which has appropriated funds from the Department of Labor’s 5G Broadband Program grant via Special Appropriation #25-6 (Resolution 20-526). No additional appropriation is necessary.
