6. Section G of this resolution lists the entities designated to receive non-competitive contract awards under Section 11B-14(a)(4) of the County Code, which states: "A contract may be awarded without competition if the Chief Administrative Officer makes a written determination that the contract award serves a public purpose and a proposed contractor has been identified in a grant or appropriation resolution approved by the Council." Appropriations for these awards are included in the departmental and non-departmental appropriations in Sections A through F. The Chief Administrative Officer has determined that the entities listed in Section G serve a public purpose and contract awards are in the public interest. The amounts listed in Section G are estimates only and may vary due to changed circumstances. The Council in Resolution 14-490 adopted the process to designate entities under this provision.

- 7. Section G of this resolution also includes entities eligible to receive a non-competitive payment from the Department of Health and Human Services as a supplement for direct services to promote normalization of persons with developmental disabilities. For FY 2012, the total amount paid to these entities must not exceed \$7,718,130.

The Director of the Department of General Services must notify the Council within 7 days after making such a determination.

Notwithstanding the separate appropriation items, the Council intends that funds be transferable, within the limits set in Charter Section 309, between the Montgomery County Fire and Rescue Service and the local fire and rescue departments.
- 37. County tax funds appropriated for use by local fire and rescue departments must not be spent or encumbered, directly or indirectly, for legal fees or expenses related to pursuing any claim against County Government or any County agency, except as expressly agreed to by the Executive with prior advice and review by the Council as part of a settlement of a civil action to which the County is a party. The Fire Chief must adopt a policy to implement this paragraph and assure compliance by local fire and rescue departments through the annual financial audit process.
- 38. Of the funds appropriated in this resolution to the Montgomery County Fire and Rescue Service (MCFRS) for Local Fire and Rescue Department (LFRD) and station operations, a total of \$412,440 is appropriated to the LFRDs to administer the following LFRD and station functions related to providing fire and rescue services in the County, including: dues and memberships; education, tuition, and training; printing, postage, and mail; refuse collection and accounting services; furniture; copier leases; communications services; and miscellaneous operating expenses. Each LFRD must report quarterly to MCFRS on the expenditure of these funds. MCFRS must develop, in consultation with the LFRDs, a reporting process to ensure compliance with this paragraph.
- 39. This resolution also appropriates \$1,055,670 to MCFRS to support LFRD and station operations in the functions of facility maintenance, office supplies and equipment, public safety equipment, uniforms, and other supplies and materials. MCFRS must administer

MCFRS must perform an inventory of the current supplies and practices for each LFRD in each functional area listed in this paragraph. Each LFRD must assist MCFRS in performing this inventory. After the initial inventory is completed, the Fire Chief must review and evaluate the need for any adjustments to the station allocations. The Fire Chief must consult with the MCVFRA and Council staff regarding the results of the inventory, the rationale for the new allocations, and any implementation process that will be needed to complete transition of these administrative functions to MCFRS.

For FY 2012 the Fire Chief must report in writing each quarter to the Public Safety Committee on the progress made in this process, and must submit a final written report to the Public Safety Committee when this process is completed.

41. For FY 2012 this resolution appropriates \$3,716,887 to the County Arts and Humanities Council Non-Departmental Account, which must be allocated as follows:

Purpose	Amount
Arts and Humanities Council Activities	
Operating Support Grants	\$2,360,223
Small/Mid-Size Organizations, Creative Projects, Arts Education, and Individual Artist/Scholar Grants	340,144
Advancement Grants	240,000
Public Arts Trust Maintenance	9,000
Administration	337,330
Total Arts and Humanities Council Activities	\$3,286,697

Assistance to Individual Organizations	
American Film Institute	430,190
(Silver Theatre operating support, which AFI must	•
repay from net revenues before any revenue sharing	
with the County)	
Total Assistance to Individual Organizations	430,190
Grand Total Arts and Humanities Council NDA	\$3,716,887

Of the funds appropriated for the administration of the Arts and Humanities Council, \$31,500 must be used only to provide health insurance benefits for one or more of the Council's full-time employees. The Arts and Humanities Council's Board of Directors must determine how these benefits are provided. If the County Attorney finds that these employees' participation is consistent with Federal and County law, these funds may be used to buy health insurance for these employees through the County Government's Group Health Insurance program. These funds must not pay more than 80% of the cost of the premium of the health insurance coverage selected by the Arts and Humanities Council's Board of Directors.

For FY 2012, this resolution allows the Arts and Humanities Council the flexibility to allocate Advancement Grant funding for activities within the category of operating support.

The Arts and Humanities Council must administer all funds appropriated in this resolution under Assistance to Individual Organizations except those funds appropriated for assistance to the American Film Institute, which for FY 2012 may be administered by an Executive branch department.

- 42. As required by County Code §2-151(f), the Council recommends projected budgets for the Office of Inspector General of \$665,510 in FY 2012, \$665,510 in FY 2013, and \$665,510 in FY 2014.
- 43. As required by Charter Section 209 and as a condition of spending any funds appropriated in this resolution to fund new merit system positions in County Government, the Office of Management and Budget must notify the Council President quarterly, starting no later than October 15, of each permanent full or part-time position created in the County Government during the preceding quarter. The notice must also specify the source of funds for each position.
- 44. This resolution appropriates \$1,602,370 to the Department of Police to contract for operation of the County Animal Shelter. These funds may be used to pay the costs associated with amending the current contract with the Montgomery County Humane Society.

Page 13 Resolution No.: 17-149

45. This resolution appropriates \$9,573,290 from the General Fund as a contribution to the Montgomery Housing Initiative Fund (HIF). The FY 2012 appropriation, combined with the re-appropriation of the FY 2011 fund balance, loan repayments, investment income. and revolving resources available in the capital improvements program, is estimated to provide more than \$37 million to acquire, rehabilitate, and preserve affordable housing, and implement the County's Housing First Plan. Resolution 15-110, Dedicated Funding for Affordable Housing, states that the County Executive will recommend and the Council will approve an allocation from the General Fund to the HIF an amount equivalent of 2.5% of actual General Fund property taxes from 2 years prior to the upcoming fiscal year. Resolution 16-143, Source of Funding for Annual Appropriation to the HIF, states that the source of funding for the amount equivalent to 2.5% of the actual property tax from 2 years prior must be from the General Fund and may not include MPDU resale recaptures, condominium transfer tax revenues, and end-of-year fund balance. Because of the fiscal downturn, the Executive did not recommend and the Council is not appropriating in FY 2012 an amount from the General Fund that is the equivalent of 2.5% of actual FY 2010 property taxes.

46. The Department of Housing and Community Affairs will allocate \$596,340 from the Housing Initiative Fund for "Building Neighborhoods to Call Home" services consisting of:

\$146,340 to CASA de Maryland, Inc. to operate the Pine Ridge Community Center.

\$200,000 to Rebuilding Together for operating support to enable the organization to assist low-income homeowners with home repairs (including accessibility modifications) and referrals to community resources.

\$250,000 to CASA de Maryland, Inc. for a tenant counseling program.

- 47. The Department of Housing and Community Affairs may allocate \$1,000,000 from the Housing Initiative Fund for the Closing Cost Assistance Program.
- 48. The Director of Finance must maintain a record of all payment-in-lieu-of-taxes (PILOT) agreements currently in effect under the Tax-Property Article of the Maryland Code. The record must estimate (in current year dollars) the amount of property taxes abated for each agreement for each of the next 10 fiscal years. As authorized by County Code §52-18M, the Director of Finance may sign payment-in-lieu-of-taxes agreements for affordable housing that abate annual property tax revenues, up to the following annual limits, for all properties not owned or operated by the Housing Opportunities Commission:

Page 14 Resolution No.: 17-149

Cumulative Maximum for Non-HOC PILOT Tax Abatements

FY 12	\$ 9,702,000
FY 13	\$10,187,100
FY 14	\$10,696,460
FY 15	\$11,231,280
FY 16	\$11,792,840
FY 17	\$12,382,480
FY 18	\$13,001,610
FY 19	\$13,651,690
FY 20	\$14,334,270
FY 21	\$15,050,990

The Director of Finance must not sign any payment-in-lieu-of-taxes agreement that would increase the total amount of abated property tax revenues above any of the listed annual limits without prior approval of the Council by resolution.

The Director of Finance must calculate in the FY 2013 annual operating budget the total amount of property taxes to be abated under all PILOT agreements (including those for properties owned or operated by the Housing Opportunities Commission) that will be in effect during FY 2013.

- 49. As required by Charter Section 209 and as a condition of spending any funds appropriated in this resolution, the Office of Management and Budget must provide to the Council the second and third quarterly budget analysis of department and office expenditures and revenues no later than 45 days after the end of the second and third fiscal quarters.
- 50. As a condition of spending any funds appropriated in this resolution and not disapproved or reduced under Charter Section 306, the Executive must transmit to the Council any recommended budget savings plan or similar action. As used in this paragraph, "similar action" includes any recommendation to spend less than 90% of the funds appropriated for any non-competitive contract award listed in Section G of this resolution. Any budget savings plan or similar action is subject to review and approval by the Council. This paragraph does not apply to any hiring freeze which applies to all or substantially all departments and offices of County Government.
- 51. The County Executive must inform the Council within 30 days if the Executive makes any changes in the fund balance policy for any non-tax supported fund in County Government or the addition or elimination of any non-tax supported fund in County Government.
- 52. As a condition of spending any funds appropriated in this resolution, each non-competitive contract awarded as a Community Grant that was recommended by the County Executive or a Council Grant must require each recipient to submit a brief report by January 13, 2012 and July 16, 2012 to the contracting department describing the results achieved with the funds awarded. The contracting department must submit these reports to the Office of Management and Budget by February 1, 2012 and August 1,

Page 15 Resolution No.: 17-149

- 2012. The Office of Management and Budget must submit all reports to the Council by February 15, 2012, and August 31, 2012, respectively.
- As a condition of spending any funds appropriated in this resolution, the Chief Administrative Officer must require that any contractor providing health and human services or recreation programs must enter and update appropriate information in the Info Montgomery system.
- 54. This resolution appropriates \$5,884,990 to the Snow Removal and Storm Cleanup Non-Departmental Account. The County Executive may transfer the entire amount in this NDA to the Department of General Services and Department of Transportation as needed. These funds must only be spent on costs incurred by the departments for snow removal and storm clean-up. Before funds are transferred from this NDA to the Department of Transportation, the Department must expend the \$3,115,010 million included in the Department's appropriation for snow removal and storm clean-up.
- 55. This resolution appropriates \$23,373,010 to the Leases Non-Departmental Account to lease privately owned real estate to accommodate County Government programs. This appropriation does not include funding to renew the lease for the Piney Branch satellite police facility under the current price and terms. It is the Council's intent that the Department of General Services locate a facility for the Piney Branch satellite facility that will have a substantially reduced annual cost to the County. This appropriation does not include funding for the lease at 14900 Southlawn Lane.
- 56. The Department of Environmental Protection may use Water Quality Protection Funds allocated for residential and commercial Low Impact Development projects for a rebate program. This is intended to increase the range of incentives to encourage broader participation among residents and businesses in this component of the County's Water Quality Protection program.
- 57. For FY 2012, when the County Government decides that it will apply for a grant or respond to a granting agency on how it would spend a formula-awarded grant, the Chief Administrative Officer or his designee must notify the Council Staff Director in writing of the name and purpose of the grant, the amount being requested or the formula-driven award amount, the name of the agency the application is directed to, the term of the grant, and the name of the department or departments that seek to receive the grant award. This requirement applies when any of the following conditions are met:
 - the application is for a new grant of more than \$200,000 or formula-driven award of more than \$200,000 for a new program; or,
 - the grant or award would require the appropriation of new tax-supported funds in the current or any future fiscal year; or,
 - the grant application or proposal to spend formula-driven funds will create a new position in County Government.

Page 16 Resolution No.: 17-149

Upon request, the Chief Administrative Officer or his designee must send a copy of the grant application or description of the proposed use of a formula-driven award to the Council Staff Director within 3 working days after submitting it to the funding agency.

- 58. For FY 2012, when the County Government decides that it will execute a new lease or lease-purchase agreement that will annually exceed \$500,000 in the current or any future fiscal year, or increase the cost of an existing lease or lease-purchase agreement annually by more than \$500,000, the Chief Administrative Officer or his designee must notify the Council Staff Director in writing, at least 14 days before executing the new or modified lease, of the location of the property that will be leased, the County programs that will occupy the leased space, and the cost of the lease in the current and future fiscal years. For new leases, the cost should include the estimated cost for build-out and maintenance and utilities if this cost would be paid directly by the County and not the property owner. For continuing leases, increases in costs for taxes and utilities are not subject to this provision.
- 59. This resolution appropriates funds by personnel cost and operating expense. Included in the operating expense appropriations for the Department of Environmental Protection, Department of General Services, Department of Technology Services, and the Department of Liquor Control are appropriations that are to be spent to purchase items that would previously have been appropriated as capital outlay. These appropriations must be spent for the purchase of capital outlay.

Environmental Protection – Disposal Operating Activity	\$ 662,980
Environmental Protection – Stormwater Facility	111,000
Maintenance	
Fire and Rescue Services	26,100
General Services – Motorpool Fund	3,016,000

- 60. For FY 2011 and FY 2012 only, this resolution authorizes the use of cumulative net revenues in excess of expenditures from Landlord-Tenant Affairs and Common Ownership Communities fees for general operating purposes. The Director of Finance must include all available net revenues from these funds in the General Fund unrestricted fund balance.
- 61. This resolution appropriates \$2,000,000 in the Economic Development Fund for the Westfield/Costco project. The Department of Economic Development (DED) or the Department of Finance must not disburse or encumber these funds until Westfield's management has had a community meeting with residents who live near the Wheaton Westfield shopping mall. The County Executive must designate a specific staff member to participate in this meeting and otherwise consider residents' ongoing concerns. The

Page 17 Resolution No.: 17-149

Executive's designee must meet and otherwise work with Westfield and Costco management and residents' representatives to make sure that residents' views have been considered without impinging on the economic viability, retail planning, retail design and the operation of Westfield, Costco, or other retail stores in the mall.

In the process outlined in the preceding paragraph, the Executive's designee must make good-faith efforts to see that the following issues are addressed:

- a. loading dock;
- b. delivery truck issues;
- c. traffic flow in and around the mall;
- d. pedestrian access;
- e. building elevations;
- f. storm water improvements; and
- g. gas station.
- 62. This resolution appropriates \$350,000 to the Department of Economic Development for marketing. The Department must not spend or encumber these funds until 30 days after the Director has submitted a marketing plan to the Council for its review and comment. The Council expects that this plan will be submitted no later than September 1, 2011.
- 63. This resolution appropriates \$891,580 to the Office of Human Rights. The Office of Human Rights must continue to process cases alleging a violation of relevant State and Federal anti-discrimination laws in addition to cases alleging a violation of the County Human Rights Law.
- 64. This resolution appropriates \$2,753,520 to the Community Engagement Cluster. This appropriation includes funding for the Office of Community Partnerships, the Office of the Commission for Women, the Regional Services Centers, and the Gilchrist Center.
- 65. As a condition of spending funds appropriated in this resolution, the Department of General Services, Division of Fleet Management Services (DFMS), must provide written semi-annual reports to the Council. These reports must be provided on November 1 and March 1 of each year. Each report must include the following data:
 - a. Take-home vehicle assignment, by position and by department;
 - b. The Internal Revenue Service (IRS) valuation method used for reimbursement and/or imputed income for each position;
 - c. For each position that is exempt from reimbursement and/or imputed income requirements, a statement describing the reason for exemption;
 - d. For each position that is not exempt, whether the position has complied with reimbursement and/or imputed income requirements;
 - e. For each position that has not complied fully with both the County's Administrative Procedure 1-4 and IRS regulations, a statement indicating whether the vehicle assignment has been denied and whether the vehicle has been returned to DFMS.

Page 18 Resolution No.: 17-149

66. This Resolution appropriates funds for employee group insurance benefits for the fiscal year that begins on July 1, 2011. This appropriation is subject to the following conditions:

The following cost-sharing provisions must apply to each eligible County employee and each eligible employee of a participating agency whose active employees are paid through the County's payroll system. These provisions do not apply to any eligible employee of a participating agency that does not use the County's payroll system for active employees. These provisions do not apply to any eligible retired employee.

Group Insurance Premiums

(medical, prescription drug, dental, vision, life insurance, long-term disability insurance)

Beginning January 1, 2012, the County must pay 80% of the cost of the premiums, and each employee must pay 20% of the cost of the premiums, for a Health Maintenance Organization (HMO) medical plan, including any prescription drug plan that is bundled with an HMO medical plan.

Beginning January 1, 2012, the County must pay 75% of the cost of the premiums, and each employee must pay 25% of the cost of the premiums, for each benefit plan listed below:

- Point-of-Service (POS) medical plan;
- Stand-alone prescription drug plan (Standard Option plan);
- Dental:
- Vision;
- Basic Life insurance;
- Dependent Life insurance \$2,000/\$1,000/\$100 tier; and
- Long-term disability insurance.

Each employee enrolled in the High Option prescription drug plan must also pay the difference between:

- the County contribution toward the cost of the premium for the Standard Option prescription drug plan; and
- the cost of the premium for the High Option prescription drug plan.

Optional Life insurance and Optional Dependent life insurance (\$4,000/\$2,000/\$100 tier and \$10,000/\$5,000/\$100 tier) remain at 100% paid by each employee.

Prescription Drug Benefits

Beginning January 1, 2012, each employee enrolled in a stand-alone prescription drug plan must receive generic prescription drugs, if available. If an employee chooses to receive a brand name drug that has a generic equivalent, the employee must pay the generic drug co-payment plus the difference between the cost of the brand-name drug and

Page 19 Resolution No.: 17-149

the generic drug. This generic drug requirement may be waived only if the employee's doctor certifies in a separate document that it is medically necessary to use a brand-name drug instead of its generic equivalent. The letter of medical necessity must contain details of the medical reason and must be attached to the prescription. If the waiver is approved by the Pharmacy Benefit Manager (PBM), the employee must be charged the brand-name drug co-payment.

Beginning January 1, 2012, the County's stand-alone prescription drug plans must allow each employee to buy up to a 90 day supply of a maintenance medication at any retail pharmacy agreed on by the County and the PBM in addition to using the PBM's mail service pharmacy. An employee must pay a penalty fee if a maintenance prescription is filled at a retail pharmacy other than a pharmacy agreed on by the County and the PBM. This penalty fee is the difference between the mail order cost and the retail prescription cost. This fee is in addition to the corresponding co-payment.

Beginning January 1, 2012, the County's prescription drug plan must limit coverage for each participant to a maximum of 6 doses each month for any drug specifically approved by the Food and Drug Administration for the treatment of erectile dysfunction. Medications currently approved for this purpose include sildenafil (Viagra), vardenafil (Levitra), and tadalafil (Cialis).

These changes to the prescription drug benefit must apply to each participant in the County's prescription drug plan, including each eligible retired employee, survivor, dependent, and employee of a participating agency.

Basic Life Insurance Benefit

Beginning January 1, 2012, for each full or part time employee eligible for life insurance coverage, the County must provide term life insurance coverage equal to the employee's earnings (as defined in the Group Insurance Certificate) rounded up to the nearest thousand dollars. The County will offer each eligible employee the opportunity to buy additional Optional Life Insurance at full cost during Open Enrollment.

Beginning January 1, 2012, for each full or part time employee eligible for life insurance coverage, the County must provide an accidental death and dismemberment (AD&D) benefit. The AD&D benefit includes:

- AD&D insurance of 8 times earnings, up to \$600,000, for a loss of life that is a
 direct result of an accidental injury sustained in the performance of County
 employment. A lower amount may be payable for certain dismemberments
 resulting from accidental bodily injury.
- AD&D insurance of 4 times earnings, up to \$300,000, for a loss of life that is not
 a direct result of an accidental injury sustained in the performance of County
 employment. A lower amount may be payable for certain dismemberments
 resulting from accidental bodily injury.

Modifications - Council approval

Any material change in any part of this paragraph or its application to any employee or group of employees, including any premium holiday or other waiver of premiums for County-provided health or life insurance, is subject to Council approval.

- 67. This resolution appropriates funds in Sections A-F in the Personnel Cost category for the County Government contribution to employee retirement accounts and funds. These funds must be spent as provided in Chapter 33 of the County Code as amended by Expedited Bill 11-11, Personnel Retirement Plans Contributions.
- 68. The Council appropriates \$1,869,700 from the Water Quality Protection Fund, which consists of \$360,400 to the Planning Department and \$1,509,300 to the Department of Parks for expenses incurred to perform the following activities:
 - Maintenance and Management of Streams, Lakes, Ponds, Non-tidal Wetlands, and Stormwater Management Facilities;
 - Compliance with NPDES Permit for Industrial Sites;
 - Compliance with NPDES Municipal Permit for Small, Separate, Storm Sewer Systems;
 - Special Protection area reviews and enforcement (not covered by fees);
 - Developing and monitoring stream buffers;
 - Forest conservation enforcement in and abutting stream buffers; and
 - Environmental sections on comprehensive master plans related to water quality.
- 69. The FY 2012 Budget includes a mandatory contribution, but \$0 in discretionary contributions, from the General Fund to the Revenue Stabilization Fund as provided for under County Code Sections 20-68 and 20-69.

This is a correct copy of Council action.

Linda M. Lauer, Clerk of the Council
