

MEMORANDUM

TO: County Council
FROM: Jeff Zyontz, Legislative Attorney
SUBJECT: **Action:** Bill 31-13, Transportation – Review – Record Plats

Planning, Housing and Economic Development Committee recommendation (3-0): enact Bill 31-13 as introduced.

Bill 31-13, Transportation – Review – Record Plats, sponsored by Councilmember Riemer, then-Council Vice President Leventhal and Councilmember Floreen, was introduced on December 10, 2013.

Bill 31-13 would repeal the County Department of Transportation’s authority to approve record plats. The Department would still be able, under more general provisions of County law (including Code §2-55(b)), to review record plats and provide comments to the Planning Board before it approves them. Bill 31-13 was introduced with SRA 13-03 as an effort by the sponsor to speed and simplify the process for approving record plats.

Public Hearing Comments

The Council held a public hearing on October 14. The Council heard from the Chair of the Planning Board and the Department of Permitting Services (DPS) Director representing the County Executive. Neither spoke in opposition to Bill 31-13.

Issues

No issues have been raised. DPS acts on behalf of all County interests on record plats and will continue to do so. If anything, Bill 31-13 eliminates the possibility of conflicting recommendations by different Departments.
